THE MINISTER OF STATE IN THE MINISTRY OF DEFENCE (DR. RAJA RAMANNA): (a) to (d) The former Deputy Prime Minister wrote to the Prime Minister on 15-7-1990 about irregularities, not connected with the Bofors deal, allegedly committed by certain Union Ministers. The Prime Minister requested the former Deputy Prime Minister to substantiate the allegations and to send him all the documents on which these based. The Prime Minister assured the former Deputy Prime Minister that all evidence sent by him would be expeditiously and impartially scrutinised and processed.

The former Deputy Prime Minister wrote back to the Prime Minister on the 22nd July, 1990. While not substantiating the allegations he had made, he stated that there were some stories in circulation which he thought were based on rumours and misinformation, planted by some interested sections. He added that these stories had gained credibility with him because of a letter which Shri V. P. Singh had written, in November 1987, to the President of India on the Bofors gun deal in which Shri V. P. Singh had allegedly referred to one of the Ministers presently in the Cabinet. Immediately on receiving this letter, the Prime Minister requested the former Deputy Prime Minister to send him the letter allegedly wrtiten by him. The former Deputy Prime Minister sent the Prime Minister a photostat copy of the alleged letter. The Prime Minister immediately ordered an enquiry by the CBI. A preliminary verification by the CBI has indicated that the letter is a fabrication.

Thereafter, the Prime Minister wrote a detailed letter to the former Deputy Prime Minister, explaining to him that the letter referred to in para 2 was a total fabrication.
